SERENGETI  
TORTILIS CAMP

---

COMFORT

*Comfort - in the middle of the African wilderness*

*F*or as long as you are here with us, your safari adventure never stops...

Named after the distinctive tortilis tree of the Serengeti, our tented camp combines comfort with the sense of wilderness, the sense of freedom, the sense of being 'right there', as you relax after the excitement of the day. We make your safari camp experience truly unforgettable.

Set in the heart of nature, our camp is designed to look after you while you tune in to the very heartbeat of Africa: the sounds, the scents, the sights of Serengeti's 'endless plains' could not be closer. Dine, sleep, relax and know that the best of Africa's natural wonders is knocking gently on your door.

COMFORT

## SERENGETI TORTILIS CAMP

COMFORT

### Location :

The camp is situated in a truly prime location, with plenty of wildlife passing through on its way to the swamp. The camp is surrounded by a diverse range of plants and tortilis trees, giving it excellent surroundings.

### Access :

Daily scheduled flights can be booked from Arusha to Seronera airstrip. (Note that advance booking is required). From Seronera Airstrip to Serengeti Tortilis Camp is approx. 30 minutes drive. Serengeti Tortilis Camp is also accessible by road from Arusha. It is a distance of 345 kms, which takes approx. 8 hours.

### Climate :

The climate is characterized by seasonal rainfall. On average, the area receives about 700mm of rain annually. The dry season runs from July to September, with the 'long rains' in April and May and the 'short rains' starting in November. The temperatures in the area depend on the rainfall patterns. The average temperature is 24°C, while in the dry season months of June, July and August this decreases to 20°C. During this period, at night it can be chilly.

### Accommodation :

This intimate, comfortable tented camp comprises of a main lounge and a dining-area which offers plenty of seating, plus ten spacious sleeping tents all with en-suite facilities including eco-friendly flush toilets with showers.

Comfortable beds with proper linen ensure you get a good night's rest. All the tents are widely spaced to ensure privacy and offer you a real sense of freedom, and are surrounded by plants. A walkway will lead you to stunning lounge, bar, dining and fireplace for relaxing. It has an area for fire place overlooking the swamp which creates an inviting ambiance. The camp is powered by a generator plus batteries for lighting.

Hot and cold water showers are provided morning and evening. Our friendly and experienced staff will be on hand to look after your every need during your stay, and our professional chef will prepare a wholesome range of fresh, seasonal products ensuring you enjoy varied meals during your stay.
